Murder Mystery NIGHT

Friday 4th & 11th December
7:00pm – 11:00pm

Deadly Night

Lord Spinner Webbe has invited his family for Christmas in 1929 but when they arrive they find him dead, in his favourite armchair before a roaring fire and with Silent Night playing on a loop. There is a knife in his chest and his will is torn in pieces on his desk. Spinner loved practical jokes and puzzles and his mansion is full of both with secret passageways and surprises. It seems someone has decided to put a stop to Spinner's jokes once and for all but is there another reason why someone would murder Lord Webbe and just whodunit.
